We offer several levels of support to make sure you get the most out of WP Client Reports:

1. **Knowledge Base**: Our knowledge base is full of helpful articles, guides, and tutorials to get you started and troubleshoot common issues. It's available anytime, so you can find answers whenever you need them.
2. **Email Support**: For more personalized help, we provide ticketed, email support to all paid users. Reach out with specific questions or issues, and our team will respond to guide you through solutions.
3. **Priority Support for Agency Users**: If you're on the Agency plan, you get priority support, meaning we'll prioritize your requests and help you resolve issues even faster.
4. **14-Day Money-Back Guarantee**: If you're new to WP Client Reports and want to try it out, remember we offer a 14-day money-back guarantee on all paid plans. If the product doesn't meet your needs, reach out for a refund, no questions asked.

Whether you're a new or advanced user, we're here to make your experience as smooth as possible!
